IMPORTANT SUMMARY POINTS:

- ✓ The easiest way to earn commissions with the Dual Team Bonus is to be on a paid Basic or Pro Wholesale Customer Membership, purchase the Entrepreneur Success Package (ESP) for yourself and then start selling ESPs.
- ✓ No purchase necessary to earn. If you are on ANY paid membership and want to earn from the Dual Team Bonus, but do not wish to purchase the ESP yourself you simply need to personally sell 3 Entrepreneur Success Packages to be Dual Team Bonus qualified. If you not a paid member such as being on the Free Limited account you can still earn the Dual Team Bonus by purchasing the ESP or by personally selling 3 ESPs and then you are required to make a minimum of ESP sale per month to remain active in the Dual Team Bonus earnings.
- ✓ To qualify for each achievement level you must sell the required amount of Entrepreneur Success Packages in your left team and right team according to the chart above and these members must remain active on any paid Membership.
- ✓ Your Pay Leg is the weaker leg of your Dual Team and pays out a strong 25% on the Pay Leg.
- ✓ The Matching Bonus can only be achieved once you personally make 4 Entrepreneur Success Package sales (2 in your right team & 2 in your left team).

*NO compensation is paid on the recruitment of participation in the Affiliate Platform. ALL compensation is earned from selling commissionable products.
