The income in this illustration is not necessarily representative of the income, if any, that a MintBuilder Affiliate can or will earn through the MintBuilder Compensation Plan. These figures should not be considered as guarantees or projections of your actual income or profits. Your success will depend on individual diligence, work, effort, sales skills and market conditions. MintBuilder does not guarantee any income success. This example uses a \$79 Pro Wholesale Customer Membership + the average of all the Auto-Assets to illustrate all possible compensation within a perfect 5x5 Uni-level.
