Member Achievements

The majority of people are in the place of being victims of dependency and the mission here at MintBuilder is to help people break free from being financially dependent. To help you measure your level of contribution to this mission we have designed precise Achievements, so you know where you and your entire team stand.

What's great about the MintBuilder Achievements is your income is not based on your level of Achievement, but rather your Achievement is based on your income. This is a flip flop of the industry norm and we believe this is how it should be. The more people you help, the higher your lifetime earnings are and this accumulation of earnings over time increases your level of Achievement. Once reach an Achievement you cannot go backwards, you will always remain at that Achievement or go higher.

You level of Achievement is proudly displayed in your member account page, the footer of your website, in your Income Platform, in the Income Platform of all your personally referred downline and in the Tree View of your sponsor and the leaders 4 tiers above your sponsor. Every advancement is a great achievement because it means that you are building more wealth, helping others do the same and everyone gets to see your achievement and celebrate with you!

A place of starting out, learning and emergence. You are a **SURVIVOR** and want to build your wealth bigger than your dreams.

Lifetime Commissions Needed: \$0-\$3

As an **APPRENTICE** you are learning everything you can while at the same time applying what you have learned. It's great getting paid while learning instead of acquiring debt for education, right?
